

FINGERBOARD-MOLDS

MEASUREMENTS STANDARD-MOLD

V1

Here you can see all the measurements of the board which can be produced with our standard-mold. If you like to design a Fingerboard with your own unique measurements, you'll find all the information by searching for "custom-mold" on our website. You can use our mold-configurator on the site to design the shape of your desired board. Afterwards you can order the mold in the webshop.
